

Welcome to the Rally in the Valley

On behalf of everyone at Complete Coach Works, I want to extend an invitation to the upcoming BLUE BIRD Wanderlodge 20th Anniversary Rally in the Valley.

As the new guardians of the Wanderlodge legacy, we want a chance to meet each of our many loyal BLUE BIRD Wanderlodge owners. Learning more about your wants and needs enables us to continue making the motor homes of your dreams. In addition, we are anxious to share our vision for the 2008 Wanderlodge, as well as get your invaluable input to keep us on track in building the world class product from which the Wanderlodge legacy was forged.

Our dedicated team is working fervently to make this year's rally the best ever – coinciding with the introduction of the most exciting Wanderlodge ever built, which will be displayed at the Tampa Super Show later this year.

In an effort to entice you to join us for the rally – and register early – we have decided to add some extra incentive. All participants that register by September 30th will be entered in a drawing. The winner of the drawing will have his/her registration fee fully refunded.

Furthermore, to express our gratitude to those who attend the rally, we are giving away four 42" flat screen televisions. One television will be given away each night of the event, and the lucky winner will drive home the owner of a new flat screen television.

We look forward to seeing you at the rally. It promises to be four days filled with fun, friendship, entertainment, and as always, plenty of food. Come share your passion for the adventure; the wanderlust that leads to new horizons. Meet up with old friends, or make new ones. Enjoy the freedom of the open road, and make anywhere you stop your home.

Let us share our passion for building the finest motor homes with the world's finest drivers. We look forward to incorporating your thoughts and ideas for the new model year into the upcoming design, and will be sharing updates on our newly updated website, www.thelegacyreturns.com. Visit often for updates and previews.

I look forward to seeing you at the rally and introducing your BLUE BIRD Wanderlodge team.

Until then, travel safe,

Macy Neshati

Dear Rally Participant,

As a way of giving back to the community, we are inviting all participants of this year's Rally in the Valley event to join us in raising support for the Ronald McDonald House of Macon, Georgia.

The Ronald McDonald House is a non-profit housing facility that provides a temporary "home away from home" for families of seriously ill children receiving treatment at nearby hospitals. Because housing in nearby hotels can be cost-prohibitive for most families, the Ronald McDonald House provides a comfortable, supportive alternative to uncomfortable hospital chairs and benches. It serves as a temporary residence near the medical facility where family members can sleep, eat, relax, and find support from other families in similar situations.

To support the Ronald McDonald House, we are asking for rally participants to bring items to donate. A complete list of items is included on the reverse side of this card.

Donations will be collected in the Miller-Murphy-Howard Building on the fairgrounds.

On behalf of the entire staff of Blue Bird Corporation,

Macy Neshati
