

SERVICING ORDERING INSTRUCTIONS

In any communications regarding your generator set, please include the MODEL, SPECIFICATION, SERIAL, and ENGINE SPEC numbers as found on the nameplate attached to the frame of the generator or engine block. Your Authorized Service Dealer will need these numbers to provide the correct parts and information for your generator set. Do not attempt to replace major items or any item that calls for special tools or procedures — have this done only by qualified Kohler Generator Specialists. Check the yellow pages of your telephone directory under the heading GENERATORS-ELECTRIC for Kohler Generator Service Dealers in your area.
