

PMMI Electronics
Song Directory for
"THE" HORN & THE Ultimate HORN

Ordering Instructions

When programming THE Ultimate HORN, you may choose 100 songs, or fewer, with the total length under or equal to 60,700. (Ultimate Horns purchased after January 1, 2002 can have a total length up to 120,000).

When programming "THE" HORN, you may choose 64 songs, or fewer, with the total length under or equal to 31,730.

To provide us with the correct number of songs and length, simply mark or circle your selections and then add the song lengths found in the left-hand column next to the songs you have chosen. Then compare the total length against the limits shown above.

Send your list of songs along with the horn module box to us at the address at the bottom of this page. The special-program or re-programming charge is \$75.00 (plus \$6.00 S&H within continental USA). Please call or write us if you have any questions.

Songs lists can be sorted by category or by alphabet. Please indicate your preference below. In addition, you may select one song to be your first song (song number 00).

_____ Sort by Alphabet Optional First Song Choice
 _____ Sort by Category _____

Thank You !
